MAY 21-23, 2027 | B-LEVEL TEAMS | AGES 9-19

PALM BEACH, FL - OneHockey is proud to announce an exciting opportunity for B-level hockey teams with players ages 9 to 19: a tournament experience at the spectacular new Palm Ice Arena in Palm Beach, Florida, May 21-23, 2027.

For teams that rarely get the chance to compete in a destination setting like this, the weekend promises something truly special: the thrill of tournament hockey, the pride of representing their team, and memories that reach far beyond the final buzzer.

With its striking glass facade, tropical design and palm-lined setting, Palm Ice Arena brings a breathtaking new backdrop to the game these players love. It is a setting worthy of big dreams - and OneHockey is proud to open that experience to B-level teams.

Every team has players who work hard, teammates who show up for one another, and families who make it all possible. This tournament is a celebration of that commitment, giving these players an opportunity to feel part of something extraordinary.

From stepping onto the ice to spending time together in sunny Palm Beach, the weekend is designed to be more than a tournament. It is a chance for teammates to grow closer, families to share an adventure, and young athletes to make hockey memories they will carry for years.

Teams interested in registering are invited to visit PalmBeach.OneHockey.com for tournament information and registration.

BRING YOUR TEAM. MAKE LIFETIME MEMORIES.
